

On March 23, 2020 the New Mexico Department of Health issued a Public Health Order directing that all businesses, except those identified as “essential businesses” reduce the in-person workforce at each business or business location by 100%. The Public Health Order defined “essential business” to include Infrastructure operations including “public works construction”, “water, gas, electrical”, and “those attendant to repair and construction of roads”. The worker in possession of this card is an employee of

Yearout Mechanical, LLC or Yearout Service, LLC

and is engaged in a business defined as an “essential business”.

The worker in possession of this card should be allowed to continue to work notwithstanding the Public Health Order.
